1. To promote and develop both English and Hindi language, to impart education and training in vocational and technical subjects through the medium of both , to provide wider access to people desirous of pursuing programmes of higher education and training in both language through teaching on the campus as well as at a distance mode , and to provide focus on women's education.
2. To empower socially, economically, educationally, and culturally marginalized sections of society so that they are brought into the mainstream, and thereby contribute to the socio- economic development of the following are the steps taken by the University to reflect an effective leadership:

1.Clear goals with path setting through system development :

- In order to achieve the mandate and objectives provided under its Act, the successive leaderships of the University provided clear goals with path setting approach to expand the University with excellence continuously . The University has been successful in expanding its activities across the city with moderate academic facilities for the students and teachers to stake holders have been provided by the University through its formal Authority Bodies, Academic Bodies and Administrative Bodies as member or special invitees. Such representation provided an opportunity each of the stake holders to participate and contribute to the betterment of the governance of the University. Minutes of all such meetings and interactions are recorded and made available through the University website. All major policy decisions be it academic or administration are arriving at after through discussions and consultative process in a transparent

manner. Most of the programmes offered by the University are targeted towards social inclusive and outreach components to benefit the society.

VISION :

To develop enlightened citizenship of a knowledge society for peace and prosperity of individuals, nation and meet the diverse requirements of the Schools of Studies, Departments , Centres and Directorates.

This has shaped the University from an institution for distance education into a main stream university with focus on technical and professionals programmes over the period.

2. Striving for interactive and innovative teaching-learning with emphasis in social outreach :

The leadership of the university through its goals setting approach with clarity on path and directions created an eco-system of governance which is supportive and participative for the stake holders of the University system viz., teachers , staff and students. There is a systematic process of representation by each.

The University with the full support of the Government of India and UGC created excellent infrastructure for the teaching departments and constituent colleges. The professional and technical programmes are mainly targeting the vast both language speaking population largely in the rural and semi-urban areas. The motto of the University is "Reaching the Unreached" , matching with the vision , mission and objectives of the University for which it has been established.

The leadership of the university through its various flagship technical , professional and non-technical programmes was able to attract first time learners from the main stream and one third of whom were women students coming from faraway.

6.1.1 The governance of the Institution is reflective of an effective leadership in tune with the vision and mission of the University.
