

### **3. Specify the ICT-enabled tools, including online resources for effective teaching and learning process used by the teachers ?**

The teachers of Surya College use online education resources , social networking sites , blended learning platforms like Google classroom to effectively deliver teaching and provide enhanced learning experience to the students.

The teachers of the Department of computer science leads in the complete adoption of ICT enabled tools to render teaching , nonetheless, almost all the teachers use in some way or other ICT tools to teach and train their students.

The Department of English, the Department of Education and training and Department of mass Communication and Journalism etc. have laboration relevant to their subjects. These laboratories fortify the knowledge acquired in traditional classes. Software available online is integrated with teachers explanation and students are encouraged to learn and practice through interactive activities. All the departments have LCO projectors which are used for screening educational movies , documentaries and for making power point presentations.

Teachers prepare modules on important topics which are produced and recorded by the Instructional Media Centre and made available for students online. The use of ICT by teachers in classrooms apart from enabling students to keep pace with the contemporary digital and virtual world has helped Surya College create a student centric learning approach.

You-tube , Emails , Whats-App group zoom and Google classrooms are used as platforms to communicate , provide material and syllabus ,

make announcements, make presentations , address queries , mentor and share information .

Internet and wifi facility is made available to all the students of Surya Campus at headquarters, free of charge.

The library also provides access to computers and on line journals freely available in public domain and also to journals subscribed on the advice of faculty and facilitates downloads.

Every teacher is necessarily required to upload students attendance , internal assessment marks and term end assessment marks in addition to the feedback on the course and the class that they taught on their Surya College provided portal.

The students are also required to provided online feed back on the curriculum and teaching-learning environment on every course in every semester.

Viva, Research advisory meetings and board of studies are held on telecommunication applications like skype etc.
