

SURYA COLLEGE, JAGDALPUR (C.G)

The main objectives of our college (Surya College) –

The holistic development of student “our vision flashes the main point, as to provide higher education at low cost,” along with student become socio economic, politically strong and responsible citizen of country.

Our college Surya college made necessary efforts to accomplish this vision. College put some enterprises for overall development of the student.

Some activities are as follows to support our vision.

[I] Skill development in students to get employment.

1. Our college has placement and employment cell under which many programs conducted by cell to guide the student. Some students are doing government job and some are self employed.
2. Teaching faculties encourages the student to get the information of employment and some acquire general knowledge for competition exams.
3. College provided WI-FI and computer, so that students get the information of Job.

[II] Development of social responsibilities in the student

It is the fact in our vision that student can become a responsible citizen of the country , society and nation, for this our college organized many programs related to swachch Bharat Abhiyan, under which swachchta Pakhwada, use of toilet, sanitization and various programs conducted by Msw studens of college goes to government school/Aganwadi Kandya /Panchayat spreading awareness likes (health, sanitation, nutrition diet plan, child health, child abuse good touch-bad touch). Time to time college students clean the college campus and take care the plants which are planted within cement pot. The Msw Students visited to villages Door to Door campaign collects data and records of pregnant women/women health/covid vaccination record. Through Drama and Natak Msw students actively took part and aware the village Peoples about health, sanitation, regular Hand wash Method, vaccination , creation of Anti Drug society, Election Awareness. Through Swacch Bharat Abhiyan programs Msw students aware the village peoples.

[III] Development of moral values in students.

We can see the respect, love , affection and harmony among the students in our college.

College

organizes Ghandhi Jayanti and other program to disseminate the moral values such as truth, non violence and good behavior. Respect for Teachers among student. On Teachers day student conduct program to show their respect and affection for the respected Teachers. Senior student organized the welcome party for Junior student and have the feeling of affection for junior , they show respect their senior and conduct the farewell party for the final year student. No case of conflict in between senior and junior and even no anti ragging found in our college.

[IV] Personality development in student through sports and cultural activities.

"A sound mind in a sound body" keeping this in mind college organizes many sports activities like cricket, kabbaddi, volleyball, badminton and chess etc in which student take part in the events, and lead our college at state and national level. Sports certificate helps the student to get the job like police personnel, CRPF, CISF and ARMY. Emphasizes on importance of health through Fit India movement and Yoga Diwas. Students participated in NSS camp, Azadi Ka Amrit Mahotsav, and other cultural program and understanding the rich cultural heritage of the country

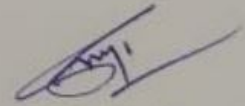

[VI] Development of sensitive conscious personality in students.

Programs related to sensitivity and awareness on national and international issues and events are

organized and developed the awareness and sensitivity among student. By organizing various events such as Human Right Day, constitution Day, Voter Day, and forming the Electoral Literacy Club, legal Literacy Club. Information of human right and legal are given to students. With this they achieve the wider perspective.

Environment awareness and sensitivity developed among students through movements like tree

plantation movement, cleanliness movement, Plastics free campus. The student coming out from here is blessed with a comprehensive coordinated approach. Here the pass out students have repaired the community bathroom with their own money which shows their sensitive awareness.
